**\*Station presenters:**

Please note - There is an extra 10 minutes for station overview. You may wish to bring visuals or hands on material to utilize this time. Please follow the schedule to be sure each team is allowed 25 minutes for test taking.

**\*Team members:**

If you have questions about a subject area, please be prepared to present them at this time.

**\*Teachers:**

A teacher water quality workshop will be offered during the Envirothon Event.

Thanks.
